Modern Martinhal Apartments

The award-winning Elegant Group that delivered the luxury Martinhal Family Hotels & Resorts in Portugal's premier locations, has tailored its successful managed buy-to-let scheme to these new residences in Lisbon's most modern yet family-friendly neighbourhood.

Martinhal residence has a 5 star classification approval and the club will serve as the perfect place to spend time with the family, boasting both indoor and outdoor heated pools, a gym, outdoor playground and Martinhal's award-winning kids' club. The concept also envisages a place where families, both residents and non-residents, can socialise whilst taking advantage of a co-working area, yoga/other similar classes, an events space and coffee lounge welcoming both social and business activities. Our family concierge service will be available whenever you need support.

The project is located in a Key area.
