The property has wooden window frames with an oscillating system, double glazing with thermal and acoustic comfort. Water heater is for heating sanitary water and air conditioning - for heating and cooling the air.

There are two Golf Courses nearby. One of them is located in Troia, right by the coast and facing the Atlantic Ocean. It offers its players 18 holes and a world class experience. You just need to have a short drive from Alcácer do Sal.

Another Golf Course is situated closer to Setúbal. The Montado Golf course was built in 2006. This 18 hole course has unique views of the plains of Alentejo and Setúbal.

Alcacer Village is a wonderful place for living. In the Sado Estuary there is also a population of dolphins who reside all year round. It is also one of the most important humid zones in the whole country for bird species. Here you will be close to the amazing nature and feel free and safe.
