The Society Lagos - Golden Visa Project

The Society Project is situated in downtown Lagos, Algarve. Spacious furnished apartments, excellent location. 3% guaranteed yield in the first 4 years, 280k Golden Visa eligible.

Lagos historic center is one of the most pleasant in the Algarve, swathed around by a vibrant artistic life and lots of entertainment and nightspots.

In Lagos you will find a famous rooftop bar with the best food and a perfect view, with a marvelous sight of the vast blue waters and the scent of the ocean.

This development presents two 18th-century buildings with magnificent architecture. Both have been upgraded and renovated, so they became more functional, taking advantage of the space and the interior garden, preserving their identity.

The patio connects the two buildings. It is elevated and transformed into a beautiful, relaxed, and elegant lounge.

There you can enjoy it for small meals, drinks, or only to relax. This area is decorated with native plants and stripped-back furniture for comfort and sustainability.

The Society has sixteen studios with all the necessary amenities to ensure your well-being. No studio looks the same. They have been carefully planned and embellished to the smallest detail. Classy, comfortable and elegant are the best way to describe them.

Social areas include dining rooms, patios, kitchens, and laundry rooms. The studios and common areas' décor are related to the surrounding nature. Mountains, seas, and rocks are evident throughout the edifices.

The materials used in this project are national certifying quality and beauty,

The Society is a breathtaking piece of architecture in a town with much to enjoy. It is located only 2 km away from the Beach.
