Hotel Carcavelos I - Golden Visa

Carcavelos I is situated in the main square of the town, a trendy neighborhood that is sought due to its wide variety of Restaurants and Shops.

The project is inspired in the ocean proximity, the beach and the modern vibe elements of the region.

This Apart-Hotel has 22 units: 20 fully equipped apartments and 2 commercial units. The apartments are divided within the three floors. There is a beautiful view towards the backyard with a garden, which can be used for several activities and entertainment.

Upon entrance, a restaurant has been designed to offer healthy meals and beverages. At the rooftop you can enjoy stunning views. If you need to work, you can take a cup of coffee and use the co-working area and a lounge, designed to fulfill the demand of remote working.
