Spa & Golf Resort In Obidos

Obidos was given to Queen Isabel as a wedding gift by King Dinis. This hilltop town has plenty of romantic beauty, amazing views and an old castle, from which you can see the lagoon, coast and ocean beyond.

The Resort lies right next to two of Europe's major surfing sites: Peniche-Baleal and Nazaré, just a few minutes from the Atlantic coastline.

The Resort includes a golf course and a five star-hotel, with spa and conference rooms alongside a luxury development of villas and apartments. The 18 hole championship golf course offers magnificent golf and ocean views, a Clubhouse with pro-shop, restaurant, bar, members' lounge and a large terrace with incredible views over the golf course and the ocean beyond.
