T2 Apartment - Forte da Casa

A 2-room apartment is located in Forte da Casa, Vila Franca de Xira. It is on the 3rd floor in a building without an elevator. You will have a good neighborhood and open views at the back of the Tagus River.

Upon entering the property, an access hall leads to 2 bedrooms (1 with a 3-door built-in wardrobe), and to the bathroom with a traditional bathtub. The same hall gives access to the kitchen, pantry, and a large living room.

The apartment floor is mosaic (except in the rooms in wooden blocks). This property is sold in its current condition.

The location is good for those who don't like big distances.
