Lot 3 - Urban Land in Almada

A plot of urban land for single-family house with paid infrastructure and project is situated in Almada..

A project for the construction of a house was submitted to the Chamber, and is in the licensing process.

An assignment will be made to the buyer regarding the rights of the project and the licensing process that may or may not be used for construction.

Lot 3 has 206.19 m² of land area and 258.75 m² of construction area.

It will take you 10 minutes to get to the accesses that connect this area of the city to the Portuguese Capital by Car, and at the same time away from two Fertagus train stations (Pragal and Corroios)
